

## BRING BACK MY COLOUR!

"This is not right," said the sunflower, sadly, looking at the sun.

"Yes," agreed the red roses.  
"Just look at us! We are looking so old!"

"Or in our new leaves!" said the mango tree who was getting ready to bring out some tasty mangoes.

It seems everyone in Nature was quite angry with the sun for being so hot and stealing their colours. Something just had to be done to cool down the sun!

So everyone put on their thinking caps and ...
