

FIND RELEASE IN THIS LOCKDOWN

Teachers! With this three-week lockdown in India, starting today, here are some empty days stretching before you! For someone as busy as you, with seldom a moment to relax, this must feel so strange, right? But now you must have numerous other things to attend to ... amidst all your domestic chores, keeping children at home occupied, taking care that no one steps out, etc., do you occasionally wish for some intellectual stimulation? Some opportunity to do something that you have not yet attempted?

If you do, THINKING TEACHER (<http://thinkingteacher.in>) **would like to offer a short course in REFLECTIVE WRITING FOR TEACHERS – free of charge. This is for the first ten teachers who apply as individuals, and not for an institution.**

Here is a brief description of the course: <https://thinkingteacher.in/reflective-writing/>
