TESTIMONIALS

“I had no idea that there was a specific form of writing called Reflective Writing. Now I understand it is more of a valuable life process, not just restricted to academia or research.”

“As the course progressed, the assignments became challenging and more insightful.”

“This course has definitely allowed me to overcome my fear of writing, my hesitation to share it, my inability to write precisely and enhanced my appreciation of objective reflection.”

“This course is helping me become more reflective in my personal life and molding me into a receptive feedback taker.”
